

Dear Emre,

We are honoured to name Casa Hermanas Bodrum as winner of Stylish Resort of the Year for Turkey, 2019.

The in-house judging panel were impressed. Our process is carried out entirely online and is not bogged down by expensive events or prohibitive entry fees.

Here is a summary of what the judges have acknowledged as the strengths of your property;

- Colourful and vibrant design in keeping with the hotel branding and perfect for putting guests at ease.
- Picture-perfect location next to the beach and close enough to walk to the city centre
- The restaurant, serves a unique combination of delicious Turkish & Mexican cuisine, a rarity in itself and must try for anyone in Bodrum

We hope to consider you again!!!

Keep up the good work

Regards
Robert Bruce
